

The GUS.FM Money Tree Sales Rules

It's quite simple. Refer new advertisers that purchase a monthly Full-Combo Advertising package and earn \$100 upon the completion of the 30-day run. There is no limit to how many you refer to us and that you can earn at \$100 for each. But there are a few ground rules to make it fair for everyone and that we all understand.

- Must be a new client that purchases a full 30-day advertising run which includes a GUS.FM digital-radio ad and GUS.FM website ad placement.
- New advertising client must sign a term agreement.
- New advertising client must pay in advance of ad run.
- New advertising client must operate legal business.
- Although not required, new client should have a business website that their potential customers can link to. Heavy social-media activity is also involved, so it would also be to their benefit to include their social media pages that we can promote for them.
- Advertising to qualify for the promotion must run at a 30-day sequence.
- At the 30-day climax, you will be paid through PayPal or Venmo.
- New clients can access information at gus.fm/advertise
- Promotion can end at any time, without notice at the discretion of Bryan Thompson/Echo Hill Media LLC/GUS.FM
- Submit referrals or ask questions, to bryan@echohillmedia.com
